I want the photos of your home to be the best they can be. This requires teamwork and cooperation that will result in an outstanding online presence when your home goes LIVE on the market.

When I arrive to take photos of your property, I ask that all staging and cleaning be done prior to my arrival. To efficiently maintain my busy schedule and deliver the level of service my clients expect, I can not spend unnecessary time at the home waiting for it to be cleaned, dusted, de-cluttered, etc.

**Please review the previous sections for tips on preparing your home for real estate photography, and note that I am not responsible and will not partake in any of the following duties while photographing your home:**

- Make beds, pick up laundry items, clean, dust or de-clutter
- Pick up toys or yard items
- "Photoshop" vehicles, walls, damaged walls, power lines, wall pictures, cords, etc.
- Touch personal bathroom supplies (shampoo, toothbrushes, deodorant, towels)
